# Flow Meters – Applications and Considerations

Presented by  
**James MacLellan**  
ABB Ltd

Choosing the right device is crucial to correct flow measurement.  
And it's not always quite as simple as it may seem...

A discussion about technologies and applications, the pro's, con's and finding best solution to measure your flow correctly.

**25<sup>th</sup> April 2019**

**5:30pm for 6:00pm**

Complimentary buffet will be available from 5:30pm

**Room HO53**

**CENTURIA BUILDING**

**TEESSIDE UNIVERSITY**

USE CENTURIA CAR PARK No. 13 ON MAP

**Visitors Welcome**
